Penn State Virtual Parking Permit

Please carefully review the following to assign a virtual permit to your license plate. This permit can be obtained at any time but will not be valid until the date listed below.

HOW TO OBTAIN A PERMIT

1. Please create a Penn State Parking Portal Account by visiting https://psu.t2hosted.com/cm/aut_ext.aspx

On the Customer Authentication page, under “Visitors and Contractors”, please select “Create Account”, and add the required information (your full name, email address, and password are required. Your password must include a capital letter, a number, and a special character.)

Alternatively, please sign in to an existing account.

2. Once you have signed in to your account, please remain signed, and select the Permit Link below:

Permit Link: <https://psu.t2hosted.com/per/index.aspx?key=8743ec305dda43249d4bbdd6e4184ee7>

3. On the “Select Permit” screen, ensure you’ve selected the desired permit.
4. Follow the prompts on screen to assign a virtual permit to your license plate.
5. Proceed to check out. Upon completion, a virtual parking permit will be assigned to your license plate.

RULES AND REGULATIONS

Please familiarize yourself with Penn State’s [Parking Regulations](#). Park with your license plate facing the drive aisle and abide by the remaining parking rules outlined at the entrance of the parking lot. Drivers are expected to obtain their own parking permit. **One vehicle may use this permit on campus at a time.** Failure to comply with the Rules and Regulations will result in ticketing/towing.

FOR DECK USE (When Applicable)

Although a virtual parking permit is assigned to your license plate, a physical copy of the permit will be emailed to you. Please print the permit out or screenshot it on your mobile device. This will act as a secondary credential to use at decks. Presentation of a permit is required when the deck is advertised as full. If you pull a ticket to enter a deck, or park in a deck outside of your permit’s validity, you will be fully responsible for the associated fees.
