CORE Design Group Supports Regional Growth in Central PA

Pictured: Dan Przywara, CORE Design Group

Danville, PA – CORE Design Group is investing \$1,000 in Focus Central Pennsylvania as a gold level investor for 2023. This investment is a commitment to supporting smart regional economic growth by promoting the region to attract quality investment that cultivates economic growth. A check was presented by Director of Business Development Dan Przywara with CORE Design Group

Dan stated *“CORE Design Group is committed to bringing innovative solutions to next generation industrial and commercial design to positively impact clients and communities. The efforts of Focus Central PA work to make connections with quality investors and communities searching for Pennsylvania communities to invest and grow in and we look forward to continuing our connections.”*

CORE Design Group is an industry leader providing full-service architectural design for residential, commercial, and industrial buildings. Their architectural services are an avenue to impact and influence the places to live, work, and play. CORE Design Group develops inventive ideas to solve complex design problems and develop spaces that are not only structurally sound but aesthetically pleasing. The CORE Design team is committed to bringing value to every design and providing clients with a broad range of professional architectural design and construction management services tailored to fit their specific needs. Their portfolio includes corporate offices, healthcare, religious, retail, mixed use, automotive, education, industrial, senior living, and residential. Since 2005, CORE Design Group has served a variety of clients from Pennsylvania to Texas with a focus on the Mid-Atlantic region.

Focus Central Pennsylvania is part of a committed team of economic development organizations in the region driving economic growth for communities in Central PA. Focus Central PA proactively markets the region as a choice location for quality companies to invest and grow their businesses.
