Mechanicsburg, PA – Bohler contributed a \$1,000 gold level mission investment to Focus Central Pennsylvania. The contribution provides the organization with the resources to effectively market Central PA to attract high-quality investment projects to drive economic growth. Shown in the photo to recognize this investment are John Piascik, Business Development Manager for Bohler; Bill Rearden, P.E., Principal of Bohler; Lauren Bryson, Executive Director of Focus Central PA; and Judd Dayton, Senior Project Manager for Bohler.

Bill stated, “Bohler is proud to partner with Focus Central PA to promote Pennsylvania to attract high quality industrial investment projects that will provide multiplied economic growth. The investment activity is strong, so it is critical to have focused, professional and responsive resources like Focus Central PA to attract and support successful development projects.

Bohler has 36 offices throughout the United States and a team of 900 talented professionals that provide land development consulting and site design services to developers and their partners. They help their clients create and realize opportunities that accelerate growth. Learn more at <https://bohlerengineering.com/>.
